

CMRT 2020

“CONFLICT MINERALS” CONFORMITY DECLARATION

Our company has adopted the goals of the EICC (Electronic Industry Citizenship Coalition) and therefore having carried out the survey of origin of material at its suppliers may certify that all the products supplied and compounds used by Baselectron srl contain no “conflict minerals” (and their derivatives) such as:

- Columbite-tantalite(coltan) refined in Tantalum (TA)
- Casserite refined in TIN (SN)
- Wolframite refined in Tungsten (W)
- Gold (AU)

imported from the following countries:

- Republic of South Sudan
- Central African Republic
- Republic of Congo
- Republic of Uganda
- Republic of Ruanda
- Republic of Burundi
- Republic of Angola
- United Republic of Tanzania
- Republic of Zambia
